

CORPORATE TEAM PACKAGE

“All in” means ALL

Hosting a corporate team is a great way to connect employees around a meaningful cause. Employees ride and celebrate together at Obliteride and along the way strengthen their relationships, and their commitment to the company and curing cancer faster.

A corporate team package is a great way to support employees riding together in Obliteride. For \$10,000, a company can bring any combination of 15 riders. This one donation will cover registration and fundraising for 15 riders participating in ANY ROUTE!

Weekend at a glance:

- Friday, August 11: Kick off Obliteride with a party to remember at Gas Works Park. Catering by Tom Douglas Catering & Events, beer from Elysian Brewing and live music get you moving.
- Saturday, August 12: Those riding to Tacoma enjoy a chill evening full of great food, music and friendship.
- Sunday, August 13: Finish strong, celebrate stronger back at Gas Works Park. Enjoy a summer afternoon to revel in your accomplishment.
