

TWO-DAY 150 MILE

WELCOME TO OBLITERIDE

Fred Hutch's Obliteride is five, and it's time to celebrate! You are part of a passionate community that is set to have a lot of fun on Obliteride weekend. Expect delicious food, scenic rides, connections with new friends, helpful volunteers, and great music. When you are among the sea of Obliteriders, you'll know that you are helping Fred Hutch cross the most important Finish Line yet – curing cancer. To returning Obliteriders, thank you and welcome back. To new riders, this is going to be memorable, and we're excited to have you join our powerful community. Over the last four years, we've had 35,000 Obliteride donors contribute **MORE THAN \$9 MILLION** to cancer research at Fred Hutch.

OTHER SERVICES

Bag & Bike Check, Sponsored by Skanska

Two-day riders can check bags Friday night at Gas Works Park. Bags will be transported to the Saturday start at Fred Hutch. Riders can also check bags at the Start Line Saturday morning. All bags will be transported to Tacoma for pick-up at the Finish Line. Tag gear with the bag tag at the bottom of the body bib.

Food & Beverage

Riders enjoy free food and beverages all weekend. A limited number of guest meals can be purchased in the ID Check Tent for the Sunday Finish Line at Gas Works Park.

Free Shower Truck at Gas Works Park

Available at the Finish Line, Sunday 11 a.m. to 7 p.m.

Bike Mechanics

Available at the Start Line and rest stops.

SAG (Support & Gear)

SAG vehicles will track riders on the routes. Flag one down or call the number on the back of your bib for pick-up.

Massage

Available at the Finish Line (both Saturday and Sunday).

Rest Stop Support

Food, beverage, restrooms, medical support, bike mechanics every 12 – 18 miles.

IN CASE OF EMERGENCY, CALL 9-1-1

For anything else, call the Obliterate helpline at: 1.855.854.7679. This number and your emergency contact info are on the back of your bib.

- 7:30 a.m.** Ride begins
- 7:15 p.m.** Last return shuttle to Fred Hutch

DAY 1
90 MILE

DAY 2
60 MILE

Please note:
While additional changes are unlikely, road traffic, climate and other conditions could impose further updates. Please always watch for Obliterate route signage.

Safety pin your body bib number to the back of your jersey.

Stick your helmet tag to the front of your helmet.

Twist tie your rear license plate to your seat post.

Stick the RFID strip to the top of your helmet, aligning the four pairs of velcro dots.

Zip tie your front license plate to your handlebars.
