

# CURE CANCER FASTER

CHOOSE HOW YOU WILL PARTICIPATE.

## RIDE OR WALK

Choose your route:

*\* New this year, we are offering anyone in the world the chance to join us as a Touring Obliterider. You don't have to be in Seattle on August 11 to participate in Obliteride. You can still ride or walk wherever you are and commit to curing cancer faster.*

## DONATE

Four options:

- Virtual Obliterider: no bike or walking shoes required; ask everyone to donate
- Sponsor: opportunities are available for businesses or organizations
- Donate to someone you know riding or walking Obliteride
- Make a general donation to Obliteride

## VOLUNTEER

We need more than 750 volunteers to support Obliteriders and event operations! Recruit a friend [or two!] to join you; volunteers receive a FREE Obliteride t-shirt. Jobs range from goody bag stuffing and registration to bike valet and Finish Line support.

## TELL OTHERS

- Lunch & Learn: Let us know if your company or neighborhood would be interested in setting up a quick, fun session to learn more about Obliteride. You get the people there, we'll bring the treats.
- Posters and brochures are available
- Facebook, Twitter, Blog, LinkedIn: you name it, start spreading the word!
