Greeters

Greet riders and walkers with a smile and get them pumped for the event! Greeters will answer event related questions and help manage line flow leading up to the start of each ride or walk. This is a great job for volunteers who like to be social and feel comfortable cheerily providing guidance and direction!

Help us love on our hard-working volunteers!

We highly encourage course marshals to dress up and stand out on course!

Volunteer at rest stops along each course! There are seven rest stops in total throughout the three ride and one walk course.
